

Families Are all Different

(sung to: 10 little indians)

Are there Two, Three,
Or Four , In a family
Five or six,
Or more in a family
I'm in a family
You're in a family
Families are
Unique and different.

Families large
And families small
Some families short
And some families tall
They're not the same
As you recall
Families are
Unique and different.
