## 2022 SUMMER CAMP THE ART OF BEING A KID

### **GWP Summer Camp:**

Our summer camp will run for 11 fun filled camp weeks to enhance and entertain your child.

Each week will include Outdoor Activities, art and craft projects, and activities related to the theme. Our goal is to entertain your child with a program geared towards having fun, learning through hands-on experiences, exploration, and laughter.

Our Summer Camp Program is for graduating K-5th grade children and is held at our Club House location:

**20230 SW Boones Ferry Rd.  
Tualatin, OR 97062**

### **Dress for success:**

Please ensure that your child is in appropriate clothing for our activities. We will be working in the dirt, with water, painting, and other hands-on activities that may require “play” clothes. Tennis shoes are more practical for our playground, as well as any walking excursions or parks we may visit. Swimsuits are needed some of the weeks, so please bring modest swimwear and a towel. As always, please have sunscreen applied before/at drop-off, and provide your child with a bottle that can come to camp (NO aerosol cans) we will reapply in the afternoon. We suggest keeping an extra set of clothing here.

### **Things we need from you:**

We will post a weekly camp bulletin on our website as well as a camp calendar on the white board in the classroom.

We will provide an afternoon snack each day at 2:30pm. Please send your child with a sack lunch each day. Lunch will be served at 11:30am. We do have a microwave to reheat as needed.

Please send your child with a water bottle labeled with your child’s name. We can refill it as needed throughout the day.

### **Things Brought From Home:**

Unless we specify the need for your child to bring certain materials from home, we ask that campers not bring anything with them most days as we will be providing plenty of activities and entertainment for them!

### **THURSDAY BRING FROM HOME DAY!!!**

Thursday is the exception. Your child may bring **one item only** from home to share with other campers. These items are to be shared so make sure that you and your child are comfortable sharing the brought items.

### **NO ELECTRONICS!!!**

We are not allowing any form of electronics to be brought from home. This includes cell phones, tablets gaming systems etc...If your child has a cell phone that you wish them to carry with them please let us know, and we will allow them to keep them on the premises, but the device will need to be kept in a back pack and not brought out during GWP hours.
